5.4 Review, Management & M

5.4.2 Management Plan

If it is determined that a financial interest is related to FibiSeled research, NorPHS compliant agency or an external faculty enterprise, a managementplan may be required to eliminate or manage the financial and/or personal conflict of interest, as appropriate. The following will occur:

•

- A list of relevant research projects being pursued
- Change in status if the individual is invested in a related startup company

5.5 Subrecipient Compliance and Reporting

The University must apply relevant originating sponsor conflict of interest requirements to subrecipients. Thus, the University must identify whether or not a subrecipient has a conflict of interest policy compliant with applicable originating sponsoromflict of interest requirements.

The Office of Sponsored Projects Administration collects the following at time of proposal submission:

- <u>Documentation of Subrecipient: Financial Conflicts of Interest Policy Commitment Form(See Link to Form 1)</u>
- Additionally, if subrecipient follows the University's Conflict of Interest Policy, sub-recipient completes <u>Subreceipient Disclosure of Financial Interest in Research</u> (See Link to Form 2)

If the University carries out the PHS-funded research through **aexcip**ient, the Universitywill incorporate as part of a written agreement with the susticipient terms that establish whether the University's or the **susticipient**'s policy on conflict of interest in research will apply to the sub

5.6.1 The University must, within 120 days of its determination of
