GOVERNOR KAY IVEY

SPEAKER AND HONORARY DEGREE RECIPIENT

In 2002, Gov. Ivey became the first Republican elected State Treasurer since Reconstruction and was re-elected in 2006. As Treasurer, Gov. Ivey was committed to making the office more open, transparent, and efficient. Gov. Ivey was elected Lieutenant Governor in 2010, becoming the first Republican woman to hold the office in Alabama's history.

She again made history on November 4, 2014, by becoming the first Republican Lieutenant Governor re-elected to the office. The Lieutenant Governor's primary Constitutional duty is to preside over legislative proceedings of the upper house as President of the Senate.

Gov. Ivey has received numerous awards for her service to the State of Alabama, including the 2015 ALFA Service to Agriculture Award, Newmax's 50 Most Influential Female Republicans in the country and, most recently, the American Institute of Aeronautics and Astronautics (AIAA) 2016 Public Service Award; 2017 Citizen of the Year, by River Region Living Magazine. In September 2019, the Alabama-Florida Council of the Boy Scouts of America distinguished Gov. Ivey as a Golden Eagle for her 'scout like service' and being a trailblazer for women.

Growing up in the small town of Camden in Wilcox County, Alabama, and working on her father's farm, taught Kay Ivey to value hard work and living within one's means. Her parents instilled values of faith, family, and community.

After graduating from Auburn University in 1967, Gov. Ivey worked as a high school teacher and a bank officer. She served as Reading Clerk of the Alabama House of Representatives under Speaker Joseph C. McCorquodale and was Assistant Director of the Alabama Development Office, where she worked to spur job creation and economic development across the state.

On April 10, 2017, she was sworn in as the 54th Governor of the State of Alabama in the Old Senate Chamber in the Alabama State Capitol by Acting Chief Justice Lyn Stuart. Following a successful nineteen months in office, the people of Alabama elected Gov. Ivey to a full term. She is the first Lt. Governor of Alabama elected to a full term after taking over as governor due to a vacancy in the governor's office.

On January 14, 2019, Gov. Ivey was officially sworn in for her full term by Associate Justice Will Sellers.

She is a member of the First Baptist Church of Montgomery, the Montgomery Rotary Club, and the Board of Directors of the Montgomery YMCA. Gov. Ivey is also the first Girls State alumna to be elected to an Alabama Constitutional Office.

The University of South Alabama was founded in 1963 without a single building to call its own. More than 55 years and quite a few buildings later, USA is a vibrant university that continues to serve as a catalyst for transformational change in the city, the state and the Gulf Coast region.

USA's story began in the early 1960s, when Mobile's civic leaders saw the need to improve access to higher education in southwest Alabama.

Realizing the region had outgrown the small extension program that operated out of a building downtown, they formulated plans for a four-year, degree-granting institution. On May 3, 1963, a bill creating a new, independent university successfully passed the Alabama Legislature, and USA was born.

Academic regalia can be traced back to European universities and ecclesiastical practices of the Middle Ages. As early as 1321, costumes identified the status of the wearer. In addition to signaling differences of degree, the garments had functional purposes, providing necessary warmth in sparsely heated buildings.

Regalia differentiate among the three degree levels used by our University; bachelor's, master's, and doctoral degrees. Common to all three levels is the headwear; the familiar square black mortarboard, although soft velvet tams may be worn by those holding doctorates. The gowns appropriate to the three ranks differ in the shape of the sleeves and in the special trim found on the doctoral gown. The bachelor's gown, which is unadorned, has wide sleeves that are pointed at the bottom. The master's gown has curiously designed sleeves, which are elongated at the rear and reach downward to the gown's bottom hem. The doctoral gown has bell-shaped sleeves and is distinctively trimmed with velvet facings down the front and three velvet bars on each sleeve. These trimmings may be black or the color appropriate to the discipline in which the degree was awarded.

The hoods worn by those holding the master's and doctoral degrees provide the color of the academic procession. These garments are draped over the shoulders and back of the wearer to display the linings, which present the colors of the university awarding the degree. Those holding
